

## Performance Diploma

**For the LMTB you must perform a programme of 42 to 48 minutes**

Contemporary syllabuses cover a range of styles including Pop, Rock, Jazz, Soul, Latin, Blues, Musical Theatre etc.

The programme should include a selection of pieces from the repertoire list on the following page or free choice pieces of an appropriate standard.

The repertoire list is for guidance only. It includes songs and artist versions appropriate for an LMTB exam. At this level, candidates are expected to be developing their own style, selecting repertoire that allows them to display the required breadth of expressive and technical skills and to highlight their own unique qualities.

### IMPORTANT NOTE:

Whole programmes will not be approved in advance by MTB, only individual pieces can be submitted for [Free Choice Approval](#).

For further guidance on selecting pieces for your Diploma please see our [Performance Diplomas Page](#).
