Award Categories

The examination is marked out of 100 with a pass mark of 60.
Award categories are as follows:

87-100	Distinction
75-86	Merit
60-74	Pass
45-59	Blue
0-44	White

Important notes about these guidelines

1. The guidelines below are structured and colour co-ordinated by our award categories. These give an indication within each section of the exam of the trajectory towards your final result.
2. Terms in the tables should be interpreted appropriately for the level of the examination. Terminology used in the assessment categories and marking tables has a different level of expectation at each grade.
3. A mark of 0 is only awarded if the section is not performed at all.
4. Each category is likely to have several/many constituent elements which are being assessed and examiners establish a mark resulting from the balance of all these elements as well as any others which arise from time to time. The marking outcome is drawn from all relevant elements in a particular examination.
5. For grades 1-5 Target Durations are a flexible guide to help you create a programme of appropriate length, substance and content for each grade. Performances that deviate (we advise no more than 33% longer or shorter) from the Target Duration could be penalised if this negatively impacts the level of content.

For grades 6-8 MTB realistically expects the candidate to be responsible for the Target Duration of their programme. It should be a skill which they have acquired over time and now have the confidence to use to benefit their planning. For this reason, from grades 6-8 we provide a minimum and maximum time for their recital as well as a target duration. Performances with a duration outside of these parameters will be penalised.

Duration starts when the recording begins and finishes when it ends, care should be taken to avoid unnecessary lengthy pauses either at the start, end or during the performance. If this occurs it may be factored into the assessment of Duration and may be reflected in the marking.

Target Durations - Grades 1-5	Target Durations - Grades 6-8
Grade 1 – Target Duration: 5 minutes Grade 2 – Target Duration: 6 minutes Grade 3 – Target Duration: 8 minutes Grade 4 – Target Duration: 10 minutes Grade 5 – Target Duration: 12 minutes	Grade 6 – Target Duration: 15 minutes (Minimum 12 minutes – maximum 18 minutes) Grade 7 – Target Duration: 18 minutes (Minimum 15 minutes – maximum 21 minutes) Grade 8 – Target Duration: 22 minutes (Minimum 19 minutes – maximum 25 minutes)
